Roze Brooks and MBLGTACC Oversight Committee

Dear Roze,

On behalf of the LGBT Resource Center at St. Cloud State University, we are excited to be in support of bringing MBLGTACC 2021 to St. Cloud, Minnesota and St. Cloud State University.

The university as well as the center have made great strides towards inclusion and equity for the LGBTQIA+ community. This includes but is not limited to supporting the personal as well educational development of those within the community, establishing more inclusive practices regarding gender identification, and executing more intersectionally focused programming. These efforts along with the support of various faculty, staff, and administrators, both on-campus and system-wide, have allowed for a more inclusive and even diverse campus.

With the center going into its 20th year of service in the 2020-2021 academic year, we feel that the conference would be a great addition into the makeup of our year of celebration. As part of our 20th year, the center is looking to showcase the incredible work of queer and/or trans current and past St. Cloud State students, advance the current work being done, and further engage partners on and off campus to build a more just community. We hope the conference, including those participating and attending, will not only see what the city of St. Cloud and St. Cloud State University have to offer, but also help us live into our 20th year.

In solidarity,

Seth Kaempfer
LGBT Resource Center, Director
St. Cloud State University

Dear Roze Brooks,

St. Cloud State University is submitting a bid to host the 2021 MBLGTACC Conference. This is an official letter of support to serve as host of the 2021 Conference. We are very excited about this opportunity and believe the conference focus and purpose is closely aligned with St. Cloud State's mission to prepare our students for life, work and citizenship in the twenty-first century.

We have a vibrant community at St. Cloud State that is highly dedicated and committed to providing a quality experience for all participants who attend the 2021 MBLGTACC Conference. I am confident that we have the human resources to provide an outstanding experience for conference attendees. Along with university support, we have the support of the City of St. Cloud Convention and Visitors Bureau. It is also important to note that we have university staff that are responsible for managing small to large scale conferences in our student union, Atwood Memorial Center, and throughout our campus and broader community. We were honored to have hosted the MBLGTACC Conference in 2000.

In 2021, St. Cloud State will also be celebrating the 20th anniversary of the creation of the LGBGT Resource Center. We see this as a unique opportunity to enhance the visibility of the conference at St. Cloud State.

Thank you for your consideration and we look forward to hearing from you.

My best wishes,

To Whom It May Concern:

St. Cloud Pride is pleased to offer our support in the bid to bring the Midwest Bisexual Lesbian Gay Transgender Asexual College Conference (MBLGTACC) to St. Cloud State University.

St. Cloud Pride's mission includes providing education, resources, programming, and social opportunities to the Lesbian, Gay, Bisexual, Transgender, Queer, and all those not named (LGBTQA+) community. We seek to contribute to educational awareness and provide a forum for discussion for LGBTQA+ people in our community. The St. Cloud Pride Board agrees that bringing the MBLGTACC to our city to provide information that focuses specifically on LGBTQA+ issues is an invaluable way to show support to the community. As an organization, we seek to offer more activities, educational endeavors, and opportunities for the young adult demographic, which can be underserved. The MBLGTACC, which targets the collegiate community, regardless of age, delivers such an opportunity.

As a Pride organization, we recognize and encourage the value of providing civic engagement around LGBTQA+ issues, especially for young adults in the LGBTQA+ community. The MBLGTACC is a fantastic way to provide this sort of support to our collegiate community. St. Cloud Pride will stand with St. Cloud State, the St. Cloud State LGBT Resource Center, and the St. Cloud community in providing a safe, welcoming environment to all MGBLTACC attendees.

Thank you for your consideration.

Roze Brooks

Dear Roze Brooks:

Thank you for considering the St. Cloud area to be host for the Midwest Institute for Sexuality and Gender Diversity's Midwest Bisexual Lesbian Gay Transgender Asexual College Conference for 2021.

As a graduate of St. Cloud State University, I am proud of the institution's welcoming and open culture in all aspects of diversity. Our Chamber is a close partner with SCSU on many community events and activities. In fact, this year we both share the tremendous tradition of having been in this community for 150 years.

Our Chamber has a rich history of being concerned with addressing equity in all forms. Our organization's Diversity Council's mission is to support an inclusive business community by encouraging all Chamber members to advocate, enhance and promote equity of opportunity in all their business practices. We know the chambers of commerce that will thrive in the future will be those who best support the growing diversity of our business community and members.

Our community hosts a very successful and fun PRIDE event each September, in which the Chamber has been a booth participant for many years. We celebrate our members' differences and focus on the richness that brings to our overall organization.

I hope you choose our community in which to hold your conference. Our Visit St. Cloud staff is one of the best in the country and is ready to serve you with the hospitality for which they are so well known.

I hope you will select St. Cloud and experience all we have to offer.

Event Rate Structure

The following event rate structure is used as a guide to determine event parking fees. Parking and Transportation will notify the sponsoring department of the event total as additional signage and/or staffing resources are not included in the amounts listed below. Parking and Transportation reserves the right to increase the rate charged to the sponsoring department if the number reported during the event is found to be in excess of the number originally requested.

How to Utilize the Rate Chart:

1. Determine the date of the event.

Peak Time: August 15th through Spring Commencement, Monday through Friday 8:00am-4:30pm

Non-Peak Time: Weekends throughout the year; and Monday after Spring Commencement through August 14th, Monday through Friday 4:31pm to 3:00am

2. Determine the duration of the event.

- 1 hour-2.49 hours= $\frac{1}{4}$ Day
- 2.5 hours- 4.49 hours= $\frac{1}{2}$ Day
- 4.5 or more hours= full day

3. Estimate the number of vehicles that will park on campus for your event.

4. Use these three pieces of information to determine the price per vehicle.

5. Multiply the price per vehicle by the number of anticipated vehicles.

		Peak: Full Day	Peak: $\frac{1}{2}$ Day	Peak: $\frac{1}{4}$ Day

ABOVE IS A SUGGESTED LOGO WITH USE OF PURPLES AS THE PRIMARY COLOR AND BLUE AND GRAY AS ACCENTS FOR THE CONFERENCE BRANDING. WE WOULD LIKE TO INCORPORATE THIS INTO THE MBLGTACC 2021 BRANDING BUT ARE OPEN TO OTHER IDEAS.

THE FINALIZED THEME WILL BE CARRIED THROUGH IN ALL ITEMS SURROUNDING THE CONFERENCE AND HOW SELF, OTHERS, AND COMMUNITY CAN BE ENGAGED AND SUPPORTED.

ATTENDEES OF THE CONFERENCE THROUGH SPEAKERS, ACTIVITIES, CONFERENCE SESSIONS, AND NETWORKING WILL BE ABLE TO GATHER INFORMATION AND RESOURCES ON HOW TO PRACTICE SUPPORT AND SOLIDARITY.

THIS SUPPORT AND SOLIDARITY WILL BE FOCUSED ON HOW TO DO IT FOR ONESELF AS A QUEER AND/OR TRANS INDIVIDUAL, HOW TO PRACTICE IT WITH PEERS AND FRIENDS, AND THEN HOW TO ENGAGE WITH IT BOTH WITHIN AS WELL AS OUTSIDE THE COMMUNITY.

CLIMATE

ST. CLOUD STATE UNIVERSITY

THE UNIVERSITY DISPLAYS SUPPORT FOR LGBT+ INDIVIDUALS THROUGH MULTIPLE MEANS. FIRST, THE UNIVERSITY FUNDS AND SUPPORT THE WORK OF THE LGBT RESOURCE CENTER. SECOND, WITHIN THE UNIVERSITY' S PROTECTED CLASSES BOTH SEXUALITY AND GENDER IDENTITY ARE CONSIDERED A PROTECTED CLASS. THIRD, THE WORK OF THE LGBT RESOURCE CENTER STRIVES TO EDUCATE, ADVOCATE, AND CELEBRATE THE LGBT+ COMMUNITY BOTH ON AND OFF CAMPUS THROUGH INTER-SECTIONAL EFFORTS. ADDITIONALLY, THE CENTER HAS BECOME A POINT OF PRIDE ON CAMPUS AND WILL BE CELEBRATING ITS TWENTIETH YEAR.

ST. CLOUD COMMUNITY

THE CITY OF ST. CLOUD HAS HOSTED A PRIDE CELEBRATION EACH YEAR FOR THE PAST TEN YEARS, AND IT IS EXCITING TO WATCH THIS CELEBRATORY ATMOSPHERE AND CLIMATE GROW THROUGHOUT THE YEAR. ADDITIONALLY, THE CITY HAS PROTECTIONS AND LAWS IN PLACE WHEN IT COMES TO PROTECTING SEXUALITY, WHILE THE STATE AND CITY ARE STILL ENGAGING IN CONVERSATION ABOUT GENDER IDENTITY. WHEN IT COMES TO ACTS OF PREJUDICE OR HARASSMENT TOWARDS THE LGBT+ COMMUNITY IN THE CITY, IT TENDS TO BE MICRO-AGGRESSIVE ACTIONS OR BEHAVIORS SUCH AS LOOKS, GLANCES, LACK OF INCLUSIVE LANGUAGE, AND MISUNDERSTANDING OF THE LIVES/EXPERIENCES OF LGBT+ FOLK. WHILE THESE FEELING AND INSTANCES OF INTENTIONAL/UNINTENTIONAL PREJUDICE HAPPEN, THERE ARE MANY ORGANIZATIONS WITHIN THE CITY WORKING TO ENGAGE AND SUPPORT LGBT+ PEOPLE WHICH INCLUDE CENTRAL MINNESOTA HEALTH CENTER, CENTRACARE GENDER AND SEXUAL MEDICINE CLINIC, ST. CLOUD PRIDE, PRISM MENTAL HEALTH, AND ANNAMARIE' S ALLIANCE.

MINNESOTA

THE STATE OF MINNESOTA IN BOTH ITS PAST AND CURRENT TIMES HAS WORKED TO CREATE A MORE INCLUSIVE CLIMATE FOR THE LGBT+ COMMUNITY. AS PART OF THE MINNESOTA HUMAN RIGHTS ACT, SEXUAL ORIENTATION IS EXPLICITLY PROTECTED IN A VARIETY OF WAY WHICH INCLUDES EMPLOYMENT, HOUSING, EDUCATION, AND MUCH MORE. EFFORTS BY LAWMAKERS, ORGANIZATIONS, AND STATEWIDE CONSTITUENTS ARE WORKING TO EXPAND THESE PROTECTIONS TO GENDER IDENTITY AND EXPRESSION. ADDITIONALLY, MINNESOTA HAS WELL-REGARDED AND LONG ESTABLISHED LGBT+ NON-PROFITS, WHICH INCLUDES OUTFRONT AND PRIDE INSTITUTE.

ST. CLOUD, MINNESOTA IS EAGER AND
WOULD BE HONORED TO HOST 2021
MBLGTACC.
